Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

Skin Benefits

Abyssinian Seed Oil is a true beauty elixir, known for its lightweight texture and remarkable moisturising properties. Packed with essential fatty acids, this oil helps replenish and retain moisture in the skin, promoting a soft and supple complexion. It nourishes and soothes the skin, reducing dryness and irritation, and leaving it with a radiant glow. Abyssinian Seed Oil also possesses anti-aging properties, helping to smooth the appearance of fine lines and wrinkles, and improving overall skin texture. Incorporate this refined oil into your skincare routine for a truly indulgent experience.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

Hair Benefits

Revitalise your hair with the enriching power of Abyssinian Seed Oil. This lightweight oil penetrates deeply into the hair shaft, providing intense hydration and restoring shine to dull and damaged hair. It nourishes and conditions the hair, helping to prevent breakage and split ends, while promoting smoothness and manageability. Abyssinian Seed Oil also protects the hair from environmental stressors, such as heat and pollution, leaving it healthy and vibrant. Add this refined oil to your hair care formulations and enjoy lustrous locks that turn heads.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
