Skin Benefits

Sweet Almond Shells act as a natural exfoliant, gently removing dead skin cells and impurities from the skin's surface. The fine particles of the shells provide effective exfoliation without causing irritation or damage to the skin. Regular use of products containing Sweet Almond Shells can help improve skin texture, promote cell turnover, and reveal a smoother and brighter complexion. Incorporate Sweet Almond Shells into your exfoliating products for their natural and gentle exfoliating properties.

Hair Benefits

Revitalize and exfoliate your scalp with Irradiated Sweet Almond Shells. This exfoliant gently removes impurities, promoting a healthy scalp and improved hair texture. Enhance your haircare formulations with the exfoliating properties of irradiated sweet almond shells.

Functionality

Exfoliating

Gently removes dead skin cells from the surface, promoting a smoother and more radiant complexion. It unclogs pores, reduces the appearance of blackheads and whiteheads, and enhances the skin's natural renewal process.
