Product Page Intro	Aloe Vera 1:1 Juice is a versatile ingredient that can be used for a variety of purposes, including skin care, hair care, and overall health. It is designed for use as an ingredient, rather than directly onto the skin. The industry typical inclusion levels, at least in mass market products, range from extremely low to perhaps highs of 1-10% inclusion. It is known for its ability to soothe and nourish. Aloe vera juice is also good for hair health and can be used to condition the hair and reduce frizz, as well as reduce dandruff. Request a quote or order a sample and incorporate this amazing ingredient in your formulations today.
Product Status	Commercial Blend.
