Skin Benefits

Aloe Vera Oily Extract in Coconut combines the moisturising and soothing properties of Aloe Vera with the nourishing effects of Coconut oil. It helps to hydrate and nourish the skin, leaving it soft, supple, and Revitalised. The extract's tropical scent adds a refreshing and indulgent touch to skincare products. Incorporate Aloe Vera Oily Extract in Coconut into your formulations for a tropical and moisturising skincare experience.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Hair Benefits

Aloe Vera Oily Extract in Coconut provides Moisturising and conditioning benefits for the hair. It helps nourish and hydrate the hair, promoting smoothness, softness, and improved manageability. The combination of Aloe Vera and Coconut oil offers a natural solution for maintaining healthy and lustrous hair.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
