## Skin Benefits

Aloe Vera Oily Extract in Sunflower combines the moisturising and soothing properties of Aloe Vera with the nourishing effects of Sunflower oil. It helps to hydrate and nourish the skin, leaving it soft, supple, and Revitalised. The extract's subtle scent adds a refreshing and indulgent touch to skincare products. Incorporate Aloe Vera Oily Extract in Sunflower into your formulations for a hydrating and nourishing skincare experience.

## Functionality

### Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

### Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

## Hair Benefits

Aloe Vera Oily Extract in Sunflower combines the Moisturising and soothing properties of Aloe Vera with the nourishing benefits of Sunflower oil. This combination helps to hydrate and condition the hair, promoting softness, shine, and improved manageability. Incorporating this oily extract into your hair care routine can contribute to healthier and more vibrant hair.

### Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

### Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

### Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
