Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Andiroba Oil is highly beneficial for the skin. It has Moisturising properties that help replenish and retain moisture, leaving the skin hydrated and supple. The oil also contains anti-inflammatory compounds that can soothe irritated skin and reduce redness. Additionally, Andiroba Oil is rich in fatty acids, which can improve the skin's barrier function and protect it from environmental stressors. Incorporate this cold-pressed oil into your skincare routine to promote healthy and nourished skin.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Andiroba Oil provides nourishing benefits for the hair as well. It penetrates deeply into the hair shaft, providing intense hydration and restoring shine to dull and damaged hair. The oil's Moisturising properties help to reduce dryness and improve the overall health and appearance of the hair. Andiroba Oil also helps to protect the hair from environmental damage, such as heat and pollution, leaving it stronger and more resilient. Incorporate this cold-pressed oil into your hair care regimen to enjoy its revitalising effects on your hair.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
