Product Page Intro	Introducing Babassu Oil, Refined from the heart of the Brazilian rainforest. The Babassu palm tree is a native of Brazil, and it's prized for its many uses. The oil from the seeds is used for cooking, cosmetics, and medicinal purposes. Babassu oil is also an important source of income for many indigenous communities in Brazil. Packed with benefits for the skin and hair, babassu oil is a lightweight, non-comedogenic oil that is easily absorbed by the skin. It's also rich in lauric acid, a fatty acid that has antibacterial and antifungal properties, and is also a good source of vitamins A and E, which are essential for healthy skin and hair. To learn more about the benefits of Babassu Oil, Refined or to request a quote or order a sample, get in touch today!
Product Status	Pure & Natural.
