### Skin Benefits

Benzoin (Alcohol) Tincture has a sweet and warm fragrance. It adds an aromatic and comforting scent to perfumes, skincare, and aromatherapy products. Incorporate Benzoin (Alcohol) Tincture into your formulations for its aromatic and soothing benefits.

### Hair Benefits

Benzoin (Alcohol) Tincture offers potential benefits for the hair. It is known for its soothing properties that can help reduce scalp irritation and inflammation. The tincture may also help improve hair manageability and add a pleasant fragrance to the hair. Incorporating this tincture into your hair care routine may contribute to a calm and Revitalised scalp.

### Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Healing & Soothing**

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

### **Antioxidant**

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.
