## Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

## Skin Benefits

Bergamot Essential Oil has a citrusy and uplifting fragrance. It helps to uplift the mood, promote relaxation, and rejuvenate the senses. The oil's refreshing properties add a revitalising experience to perfumes, skincare, and aromatherapy products. Incorporate Bergamot Essential Oil into your formulations for its uplifting and revitalising benefits.

## Hair Benefits

Bergamot Essential Oil offers potential benefits for the hair. It is known for its refreshing and uplifting properties. The oil may help balance scalp oil production, reduce scalp inflammation, and promote a healthy scalp environment. Incorporating this essential oil into your hair care routine may contribute to a balanced and Revitalised scalp.

## Functionality

### Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

### Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

### Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

### Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
