- Moisturiser

### Product code

K0620

### INCI Listing

Vaccinium Myrtillus Seed Oil

### Manufacturing Method

Cold Pressed

### CAS Number

84082-34-8

### Origin

Europe

### EINCS

281-983-5

Poland

### Scent

Fruity, Sweet

### Customs Tariff Code

1515 9040

### Colour

Green

## Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

## Skin Benefits

Cold Pressed Bilberry Seed Oil provides moisturization and protection to the skin. It helps to nourish, hydrate, and soothe dry or damaged skin. The oil's high antioxidant content offers protection against free radicals and environmental stressors. Incorporate Cold Pressed Bilberry Seed Oil into your skincare formulations for its moisturising and protective benefits.

## Hair Benefits

Bilberry Seed Oil, Cold Pressed is rich in essential fatty acids and antioxidants that can benefit the hair. It helps Moisturise and condition the hair, promoting softness, shine, and improved manageability. The oil may also help protect the hair from environmental stressors and support a healthy scalp. Incorporating this cold-pressed oil into your hair care routine can contribute to healthier and nourished hair.

## Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

### **Anti-Aging**

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

### **Antioxidant**

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

### **Moisturising & Hydrating**

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Easily-Absorbed**

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
