Skin Benefits

Cosmetic Birch Sweet Essential Oil has invigorating and uplifting properties. It helps to refresh the mind, uplift the spirit, and promote a sense of vitality. The oil's sweet and woody scent adds a distinctive aroma to cosmetic formulations. Incorporate Cosmetic Birch Sweet Essential Oil into your formulations for its revitalising and uplifting benefits.

Hair Benefits

Birch Sweet (Cosmetic) Essential Oil offers potential benefits for the hair. It is known for its purifying and invigorating properties. The oil may help promote a healthy scalp environment, reduce scalp irritation, and improve hair strength and shine. Incorporating this essential oil into your hair care routine may contribute to healthier and Revitalised hair.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.
