Gold-Yellow

Skin Benefits

Burdock Root Infused in Sunflower Oil provides moisturization and soothing benefits to the skin. It helps to hydrate, calm, and promote a healthy complexion. The infusion combines the properties of burdock root and sunflower oil, offering a nourishing and soothing blend. Incorporate Burdock Root Infused in Sunflower Oil into your formulations for its moisturising and soothing properties.

Hair Benefits

Burdock Root infused in Sunflower Oil can benefit the hair and scalp in multiple ways. The anti-inflammatory and antibacterial properties of Burdock Root help soothe scalp conditions like dandruff or itchiness. The infusion of Burdock Root in Sunflower Oil nourishes and conditions the hair, promoting smoothness, shine, and overall hair health. It can also help strengthen the hair follicles, reducing hair fall and breakage. By incorporating Burdock Root infused in Sunflower Oil into your hair care routine, you can maintain a healthy scalp and promote strong and lustrous hair growth.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
