Scent

Smoky, Woody

Customs Tariff Code

3807 0090 00

Colour

Dark Brown

Skin Benefits

Rectified Cade Essential Oil provides a distinct and smoky scent. It helps to purify the skin, clarify the complexion, and promote a refreshed appearance. The oil's purifying and clarifying properties make it a popular choice in skincare formulations. Incorporate Rectified Cade Essential Oil into your formulations for its purifying and clarifying benefits.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Cade Rectified Essential Oil is known for its antimicrobial and soothing properties. It can help address scalp conditions like dandruff, itchiness, and inflammation. The oil's cleansing properties can remove excess oil and impurities from the scalp, promoting a healthier scalp environment. Incorporating Cade Rectified Essential Oil into your hair care routine can help alleviate scalp issues and promote overall scalp health.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
