Product Page Intro	Embark on a transformative journey with Camellia Oil (Oleifera), Refined Organic and delve into the riches of nature for skin and hair! Camellia oleifera leaf extract is obtained from the foliage of the Camellia oleifera, a shrub belonging to the tea family. This particular variety of green tea is indigenous to southern China and is associated with longevity and good fortune. Camellia Oil, a lightweight, non-comedogenic ingredient, boasts a wealth of essential fatty acids and vitamins, gracefully accommodating all skin types, even the most sensitive. It stands out for its remarkable capacity to provide profound nourishment and hydration, resulting in skin that feels velvety, supple, and rejuvenated. Furthermore, it aids in diminishing the visibility of fine lines and wrinkles, enhancing the skin's complexion and texture. Request a quote or secure a sample now!
