Skin Benefits

Carotene infused in Sunflower Oil provides antioxidant and moisturising benefits to the skin and hair. It helps nourish and protect, making it an excellent ingredient for skincare and haircare formulations. Incorporate it into your products for its nourishing properties.

Hair Benefits

Carotene infused in Sunflower Oil offers nourishing and antioxidant benefits for the hair and scalp. The infusion provides essential nutrients and antioxidants that can promote hair health, strengthen the hair strands, and protect against environmental damage. Incorporate Carotene infused in Sunflower Oil into your hair care routine for nourished, healthy-looking hair and a protected scalp.

Functionality

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
