Skin Benefits

Cedarwood Himalayan, Essential Oil is known for its grounding and calming properties. It can help promote a sense of balance and relaxation, reducing stress and anxiety. The oil's rich and woody aroma creates a tranquil and soothing atmosphere. Cedarwood Himalayan, Essential Oil is often used in aromatherapy products, massage oils, and bath products to induce relaxation and create a peaceful environment. Additionally, the oil possesses insect-repellent properties, making it a natural choice for keeping insects away. It can be incorporated into personal care products such as soaps, candles, perfumes, and hair care products to add a comforting and earthy scent.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Hair Benefits

Cedarwood Himalayan, Essential Oil can provide beneficial effects for the hair and scalp. Its grounding properties can help reduce scalp irritations and promote a balanced scalp environment. The oil's calming and relaxing effects can also help alleviate scalp discomfort and itching. Additionally, Cedarwood Himalayan, Essential Oil has potential insect-repellent properties, which can help protect the hair from pests. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to enhance the health and appearance of the hair, as well as add a soothing and earthy aroma.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
