### **Skin Benefits**

Chamomile Blue, Essential Oil Organic is known for its soothing and calming properties. It can help relax the mind and body, promoting a sense of tranquility and well-being. The oil's sweet and floral aroma creates a soothing and comforting atmosphere. Chamomile Blue, Essential Oil Organic is often used in aromatherapy products, massage oils, and bath products to induce relaxation and improve sleep quality. Additionally, the oil possesses anti-inflammatory and skin-healing properties, making it beneficial for skincare formulations. It can be incorporated into various personal care products such as soaps, candles, perfumes, and hair care products to add a gentle and relaxing scent.

### **Hair Benefits**

Chamomile Blue, Essential Oil Organic can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The oil's anti-inflammatory effects can also contribute to reducing scalp redness and inflammation.

Additionally, Chamomile Blue, Essential Oil Organic possesses potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to enhance the health and appearance of the hair, as well as provide a pleasant floral aroma.

# **Functionality**

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

#### **Stress Relief**

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.

### **Healing & Soothing**

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

### Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
