8001-74-9

Origin

India

EINCS

616-787-4

Scent

Earthy, Nutty

Customs Tariff Code

1515 9040 00

Colour

Gold-Yellow, Light Yellow

Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Chaulmoogra Seed Oil, Cold Pressed is known for its anti-inflammatory and soothing properties. It can help calm skin irritations and moisturise the skin, providing relief and nourishment. The oil has a nutty and earthy aroma that creates a warm and comforting sensation. Chaulmoogra Seed Oil, Cold Pressed is often used in facial serums, moisturisers, massage oils, soaps, and various body care products. It possesses antimicrobial properties, making it beneficial for acne-prone skin. Additionally, the oil contains fatty acids such as palmitic acid, oleic acid, and hydrocarpic acid, which contribute to its therapeutic effects. It can be incorporated into hair care products such as hair oils, body oils, bath products, beard oils, and shaving products for its moisturising and soothing benefits.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Hair Benefits

Chaulmoogra Seed Oil, Cold Pressed can provide moisturising benefits for the hair and scalp. Its emollient properties can help nourish and condition the hair, reducing dryness and promoting healthy-looking hair. The oil's anti-inflammatory effects can also contribute to soothing scalp irritations and maintaining a balanced scalp environment. Additionally, Chaulmoogra Seed Oil, Cold Pressed has potential antimicrobial properties, which can help prevent scalp infections and promote scalp health. It can be incorporated into hair care products such as hair oils, shampoos, and conditioners to enhance the health and appearance of the hair, as well as provide a nutty and earthy aroma.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Scar Healing

Aids in the healing and fading of scars, whether they are from acne, wounds, or other skin injuries. It helps promote the regeneration of skin cells, leading to a smoother and less visible scar over time.
