Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Organic Chia Seed Oil, Cold Pressed is known for its nourishing and moisturising properties. It can help hydrate the skin, improve moisture retention, and promote a healthy and radiant complexion. The oil has a mild and nutty aroma that adds a pleasant scent to personal care products. Organic Chia Seed Oil, Cold Pressed is often used in facial serums, moisturisers, massage oils, soaps, hair care products, body oils, bath products, and lip balms. It contains essential fatty acids, including omega-3 and omega-6, which contribute to its nourishing effects. It is also rich in vitamin E and chlorogenic acid, antioxidants that help protect the skin from oxidative stress and signs of aging. Organic Chia Seed Oil, Cold Pressed has emollient properties that make it beneficial for dry and dull skin.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Organic Chia Seed Oil, Cold Pressed can provide nourishing benefits for the hair and scalp. Its moisturising properties can help hydrate and condition the hair, reducing dryness and frizz. The oil's emollient effects can also contribute to smoother and more manageable hair. Additionally, Organic Chia Seed Oil, Cold Pressed contains antioxidants, such as vitamin E and chlorogenic acid, which help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as hair oils, serums, and conditioners to enhance the health and appearance of the hair, as well as provide a mild and nutty aroma.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
