Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Coffee Green Oil is known for its invigorating and stimulating properties. It has an earthy and roasted aroma that adds a unique touch to cosmetic formulations. The oil is commonly used in massage oils, hair care products, beard oils, bath products, and soap making. Cold Pressed Coffee Green Oil is rich in antioxidants, which help protect the skin from oxidative stress. It is also nourishing and can help moisturise and condition the skin and hair. The invigorating scent of the oil provides an energising boost to the senses, making it a popular choice for aromatherapy and personal care products.

Hair Benefits

Cold Pressed Coffee Green Oil can provide stimulating benefits to the hair and scalp. Its invigorating properties help to promote circulation and awaken the senses. Additionally, the nourishing properties of the oil help to moisturise and condition the hair, reducing dryness and improving overall hair health. It can be incorporated into hair care products such as hair oils, scalp treatments, and hair masks to invigorate the scalp, promote healthy hair growth, and add shine to the hair strands.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
