Skin Benefits

Comfrey Infused in Sunflower Oil offers soothing properties and is commonly used in moisturisers, balms, salves, soaps, massage oils, bath products, and hair care products. It has an earthy and herbal aroma with a green color. The infused oil provides soothing and calming effects on the skin, making it suitable for sensitive or irritated skin. It moisturises and nourishes the skin, leaving it feeling soft and supple. The oil is emollient and helps to condition the skin, providing a layer of protection. Comfrey Infused in Sunflower Oil is known for its skin conditioning properties, making it a popular choice for products that aim to soothe and hydrate the skin.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Comfrey Infused in Sunflower Oil can provide soothing benefits to the hair and scalp. Its calming properties help to alleviate scalp irritation and discomfort. Additionally, the nourishing and emollient properties of the oil help to moisturise and condition the hair, reducing dryness and improving manageability. It can be incorporated into hair care products such as hair oils, scalp treatments, and hair masks to provide gentle care and nourishment to the hair strands.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
