Skin Benefits

Cucumber Extract offers refreshing and revitalising properties. It has a fresh, cooling aroma. The extract is commonly used in facial cleansers, toners, moisturisers, eye creams, masks, and hair care products. Cucumber Extract provides a refreshing and hydrating experience, helping to Revitalise and nourish the skin. It is known for its soothing and cooling effects, making it suitable for products that aim to calm and soothe the skin. The extract is also hydrating and helps to replenish moisture levels in the skin. It is rich in vitamins and minerals, which promote a healthy complexion and support skin vitality. The fresh and cooling aroma of Cucumber Extract adds a pleasant and invigorating note to formulations, enhancing the overall sensory experience.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

Hair Benefits

Cucumber Extract can provide refreshing and hydrating benefits to the hair and scalp. Its cooling properties help to soothe and calm the scalp, reducing irritation and promoting a balanced scalp environment. Additionally, the fresh and cooling aroma of Cucumber Extract adds a pleasant scent to hair care products. It can be incorporated into scalp tonics, leave-in conditioners, and hair masks to provide a refreshing and revitalising experience while nourishing the hair and scalp.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
