Skin Benefits

Nourish your skin with Easy Cream Base, providing hydration and a silky texture. This base helps improve skin texture, promotes a healthy complexion, and maintains the skin's natural moisture barrier. Enjoy easy absorption for soft, smooth, and revitalized skin.

Functionality

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.
