Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Skin Benefits

Refined Echium Seed Oil is known for its replenishing and anti-inflammatory properties. It has a mild and nutty aroma with a golden color. The oil is commonly used in facial serums, moisturisers, body oils, and hair care products. Echium Seed Oil provides replenishment to the skin, helping to improve its texture and reduce signs of inflammation. It is rich in omega-3, omega-6, and omega-9 fatty acids, which support skin health and help maintain its natural balance. The oil has soothing properties that help calm and soothe irritated skin, making it beneficial for sensitive and reactive skin types. Additionally, Refined Echium Seed Oil contains tocopherols, which contribute to its antioxidant activity. The oil is suitable for various skin concerns, including dryness, redness, and inflammation.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.

Hair Benefits

Refined Echium Seed Oil can provide replenishing and soothing benefits to the hair and scalp. Its nourishing properties help to moisturise and condition the hair, reducing dryness and improving manageability. Additionally, the mild and nutty aroma of Refined Echium Seed Oil adds a pleasant scent to hair care products. It can be incorporated into hair oils, serums, and leave-in conditioners to provide nourishment and enhance the sensory experience.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Scar Healing

Aids in the healing and fading of scars, whether they are from acne, wounds, or other skin injuries. It helps promote the regeneration of skin cells, leading to a smoother and less visible scar over time.
