Skin Benefits

Eucalyptus Peppermint Essential Oil offers an invigorating and minty scent. It has a minty and cooling aroma with a clear color. The oil is commonly used in perfumes, aromatherapy, massage oils, bath products, and hair care products. Eucalyptus Peppermint Essential Oil provides an invigorating and cooling experience, promoting a sense of freshness and respiratory well-being. It is known for its respiratory support properties and can be used in formulations targeting congestion and breathing comfort. The oil contains menthol and piperitone, among other components, which contribute to its distinctive aroma. Eucalyptus Peppermint Essential Oil is also used in skin care formulations to provide a cooling and revitalising sensation.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Hair Benefits

Eucalyptus Peppermint Essential Oil can add an invigorating and minty touch to hair care products. Its cooling properties create a refreshing and stimulating experience for the scalp. Additionally, the minty and cooling aroma of Eucalyptus Peppermint Essential Oil adds a pleasant scent to hair care formulations. It can be incorporated into shampoos, conditioners, hair oils, and scalp treatments to enhance the sensory experience and provide a unique fragrance to the hair.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.
