Skin Benefits	Deodorised Garlic Oil offers a concentrated and deodorised garlic aroma. It has a pale yellow color and is commonly used in skin care products, hair care products, massage oils, bath products, and oral care products. Deodorised Garlic Oil provides purifying and conditioning benefits. It is known for its deodorizing properties and can help neutralise odors. The oil is derived from garlic and has been processed to remove the strong pungent odor typically associated with raw garlic. Deodorised Garlic Oil can be incorporated into various personal care formulations to harness its beneficial properties without the overpowering scent of raw garlic.
