Colour
Light Yellow

INCI Listing
Psidium Guajava Seed Oil

CAS Number
91770-12-6

EINCS
294-795-3

Customs Tariff Code
1515 9040

Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Guava Seed Oil, Cold Pressed is known for its moisturising and nourishing properties, making it suitable for various skincare products. It helps hydrate and soften the skin, providing a radiant and healthy appearance. The oil's antioxidant properties protect the skin from environmental damage and oxidative stress. Guava Seed Oil, Cold Pressed is often used in facial serums, moisturisers, body oils, and massage oils to promote overall skin health and rejuvenation.

Hair Benefits

Guava Seed Oil, Cold Pressed can provide nourishment and moisture to the hair and scalp. It helps condition the hair, leaving it soft and shiny. The oil's lightweight texture allows for easy absorption, without weighing down the hair. Additionally, Guava Seed Oil, Cold Pressed contains antioxidants that can help protect the hair from free radicals and environmental damage. It can be incorporated into hair oils, serums, and leave-in conditioners to promote healthy-looking hair and support scalp health.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
