Product Page Intro	Introducing Hemp Seed Oil, Cold Pressed. Hemp has a rich history dating back centuries and has been cultivated for various purposes, including medicinal and industrial uses, for thousands of years. The oil's cosmetic properties and benefits have made it a sought-after ingredient in modern skincare. Its high content of essential fatty acids, such as omega-3 and omega-6, make it an excellent moisturizer that deeply nourishes and hydrates the skin. These fatty acids also play a crucial role in maintaining the skin's natural barrier function. Hemp Seed Oil's vitamin and mineral content, including vitamins A, C, and E, further enhances its skincare potential. It is known to reduce inflammation and promote skin elasticity. Its ability to balance oil production makes it suitable for all skin types, including oily and acne-prone skin. Order a sample or request a quote today!
Product Status	Pure & Natural.
Pyrrrolizidine Alkaloids Status	O&3 can confirm that Hemp Seed Oil, Cold Pressed is free from any Pyrrrolizidine Alkaloids.
REACH Status	O&3 can confirm that Hemp Seed Oil, Cold Pressed supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of >0.1% in our product.
