91722-39-3

Origin

Japan

EINCS

294-437-6

Scent

Woody

Customs Tariff Code

3301 2941 00

Colour

Clear, Light Yellow

Skin Benefits

Hiba Wood Essential Oil is known for its calming and grounding properties. It creates a soothing ambiance that promotes relaxation and balance. The woody and citrusy aroma of the oil provides a sense of tranquility and serenity. It can be used in aromatherapy blends, diffusers, massage oils, and other products to enhance the therapeutic experience and create a peaceful atmosphere.

Hair Benefits

Hiba Wood Essential Oil can contribute to a calming and soothing hair care routine. Its relaxing properties can help reduce stress and tension, promoting a sense of balance. Incorporating Hiba Wood Essential Oil into hair care products such as hair oils, masks, and scalp treatments can provide a relaxing and aromatic experience, enhancing the overall well-being of the hair and scalp.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
