Skin Benefits

Hibiscus Exfoliant gently polishes the skin, removing dead skin cells and revealing a fresh and radiant complexion. It helps improve skin texture and brightness, leaving the skin smooth and Revitalised. This exfoliant is commonly used in face scrubs, body scrubs, masks, and cleansers to provide gentle exfoliation and promote a healthy glow.

Hair Benefits

Hibiscus Exfoliant can help stimulate the scalp and improve blood circulation when incorporated into scalp scrubs or treatments. It can help remove dead skin cells and promote a clean and healthy scalp environment.

Functionality

Exfoliating

Gently removes dead skin cells from the surface, promoting a smoother and more radiant complexion. It unclogs pores, reduces the appearance of blackheads and whiteheads, and enhances the skin's natural renewal process.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
