## **Extraction process**

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

## **Skin Benefits**

Kalahari Melon Seed Oil moisturises and protects the skin, leaving it soft and supple. Its light texture and high linoleic acid content make it suitable for facial oils, serums, body oils, lotions, moisturisers, massage oils, and hair care products. The oil helps moisturise, nourish, and promote a healthy-looking complexion, providing a natural radiance.

## **Hair Benefits**

Kalahari Melon Seed Oil can contribute to a nourishing and revitalising hair care routine. Its moisturising properties help hydrate the hair and scalp, reducing dryness and promoting overall hair health. Incorporating Kalahari Melon Seed Oil into hair oils, serums, and leave-in treatments can provide hydration, softness, and a natural sheen, leaving the hair looking healthy and lustrous.

## **Functionality**

### **Anti-Aging**

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

#### **Easily-Absorbed**

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

## **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

#### **Moisturising & Hydrating**

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
