Skin Benefits

Kukui Butter deeply hydrates and Revitalises the skin, leaving it soft and supple. Its rich and creamy texture makes it suitable for body butters, balms, moisturisers, and lip balms. The butter helps nourish, moisturise, and promote a rejuvenated complexion.

Hair Benefits

Kukui Butter can also benefit the hair by providing nourishment and moisture. It helps hydrate and Revitalise the hair strands, reducing dryness and promoting overall hair health. Incorporating Kukui Butter into hair butters, conditioners, and hair masks can provide deep conditioning, leaving the hair feeling nourished, Revitalised, and manageable.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
