Product Page Intro	Introducing Lavender Essential Oil (40/42), a versatile essential oil with a calming and relaxing aroma. It is extracted from the flowers of the Lavandula angustifolia plant and the ester content is maintained at 40-42% by adjustment with Linalyl acetate. Lavender Essential Oil has a long history of use in traditional medicine. It is known for its anti-inflammatory, antibacterial, and antifungal properties. It is also used to treat a variety of skin conditions, including acne, eczema, and psoriasis. In addition to its medicinal benefits, Lavender Essential Oil is also used in aromatherapy as it is known to have a calming and relaxing effect on the mind and body. Lavender Essential Oil can be diffused into the air, added to a carrier oil for massage, or used in skincare and hair care products. Order a sample or request a quote today!
