Skin Benefits

Experience the brilliance of Liquid Crystal Concentrate. This concentrate combines emollient, emulsifying, and moisturizing properties, leaving your skin radiant and hydrated. Enhance your formulations with the clarity of liquid crystals.

Functionality

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Hair Benefits

34% Active / Good for shampoos, shower gels, bubble baths and liquid hand washes.

Emulsifying

Seamlessly blends and stabilises ingredients, ensuring a smooth and uniform texture. This enhances product performance, providing a luxurious and effective application experience for optimal skincare benefits.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
