Skin Benefits

Magnolia Flower Essential Oil carries a rich and floral scent, extracted from the flowers of the magnolia tree. It has soothing and uplifting properties, creating a sense of harmony and emotional well-being. The oil is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and bath products to enhance mood and promote a sense of relaxation and well-being.

Hair Benefits

Magnolia Flower Essential Oil can contribute to a soothing and uplifting hair care routine. Its rich fragrance can provide a luxurious and sensory experience. Incorporating Magnolia Flower Essential Oil into hair perfumes, mists, and leave-in treatments can leave the hair smelling rich and floral, promoting a sense of harmony and emotional well-being.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
