Product Page Intro	Introducing Mangosteen Seed Oil, Cold Pressed. Mangosteen Seed Oil, has a rich history dating back centuries. Native to Southeast Asia, the fruit has been used for its medicinal properties and as a symbol of wellness. The oil is prized for its potent blend of essential fatty acids, antioxidants, and vitamins, such as vitamin C and E. Its anti-inflammatory properties can be traced to traditional remedies in the region, where it was applied to soothe skin irritations and reduce swelling. Its antimicrobial qualities have been harnessed for promoting skin health, preventing acne, and supporting wound healing. It is a vital ingredient in cosmetics, contributing to smoother and more youthful-looking skin. The antioxidant content helps combat free radicals, making it a valuable addition to anti-aging formulations. Its versatility also extends to hair care, enhancing shine and nourishment.
