Gold-Yellow, Yellow

### Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

### Skin Benefits

Cold Pressed Manketti Seed Oil carries a nutty aroma, extracted from the nuts of the Manketti tree. It has nourishing and protective properties, nourishing and protecting the skin, leaving it feeling soft and hydrated. The oil is commonly used in moisturisers, serums, body oils, and facial oils to provide nourishment and antioxidant protection, promoting a healthy and rejuvenated complexion.

### Hair Benefits

Cold Pressed Manketti Seed Oil can contribute to a nourishing and protective hair care routine. Its nourishing properties can help improve the condition of the hair, reducing dryness and promoting overall hair health. Incorporating Cold Pressed Manketti Seed Oil into hair oils, serums, and treatments can provide nourishment and protection, leaving the hair feeling soft and hydrated.

### Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

### **Anti-Aging**

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

### **Easily-Absorbed**

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

### **Moisturising & Hydrating**

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Emollient**

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
