Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Maqui Berry Seed Oil carries a fruity aroma, extracted from the seeds of the Maqui berry. It has antioxidant-rich and moisturising properties, nourishing and rejuvenating the skin, leaving it feeling hydrated and supple. The oil is commonly used in moisturisers, serums, body oils, and facial oils to provide antioxidant protection and promote a healthy and Revitalised complexion.

Hair Benefits

Cold Pressed Maqui Berry Seed Oil can contribute to a nourishing and moisturising hair care routine. Its moisturising properties can help improve the condition of the hair, reducing dryness and promoting overall hair health. Incorporating Cold Pressed Maqui Berry Seed Oil into hair oils, serums, and treatments can provide hydration and nourishment, leaving the hair feeling soft and hydrated.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
