Product Page Intro	Introducing Maqui Berry Seed Oil, with a rich history dating back to the indigenous Mapuche people of South America. It has an exceptionally high antioxidant content, particularly anthocyanins and polyphenols, which surpass the levels found in most other berries. These antioxidants play a crucial role in neutralising free radicals, combating premature aging, and maintaining skin health. The oil's high essential fatty acid content, including omega-3 and omega-6, contributes to its nourishing and hydrating properties. Additionally, it contains essential vitamins, such as vitamin C and vitamin E, which promote collagen production and skin repair. Maqui Berry Seed Oil can help to combat skin conditions, including acne, eczema, and rosacea, thanks to its anti-inflammatory and soothing properties. Its regular use results in improved skin texture, reduced redness, and a more youthful complexion. Order a sample or request a quote of Maqui Berry Seed Oil, Cold Pressed today!
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Maqui Berry Seed Oil, Cold Pressed is free from any Pyrrolizidine Alkaloids.
