Skin Benefits

Spanish Marjoram Essential Oil carries a warm and herbal aroma, derived from the flowering tops of Spanish marjoram plants. It has calming and soothing properties, making it a valuable ingredient in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and bath products. The oil promotes relaxation and helps relieve tension, providing a serene and balanced ambiance.

Hair Benefits

Marjoram Essential Oil can contribute to a calming and soothing hair care routine. Its herbal fragrance can provide a relaxing and comforting experience. Incorporating Marjoram Essential Oil into hair mists, massage blends, and scalp oils can help promote relaxation and reduce scalp tension, supporting overall hair and scalp health.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
