Skin Benefits

Organic Melissa Water carries a gentle and refreshing citrusy aroma, derived from the steam distillation of organically grown Melissa leaves. It has soothing and toning properties, making it a valuable ingredient in facial toners, mists, and skincare products. The water hydrates and Revitalises the skin, providing a rejuvenating and calming experience.

Hair Benefits

Organic Melissa Water can contribute to a gentle and refreshing hair care routine. Its delicate citrusy aroma can provide a soothing and uplifting experience. Incorporating Organic Melissa Water into hair mists, hair rinses, and scalp treatments can help hydrate the hair and scalp, leaving them feeling refreshed and Revitalised.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
