Skin Benefits

Menthol Crystals carry a cooling and refreshing sensation, derived from natural sources such as peppermint oil. They provide a minty and invigorating aroma, making them a valuable ingredient in balms, creams, and topical formulations. The crystals provide a soothing and refreshing sensation to the skin, offering an invigorating and soothing experience.

Hair Benefits

Menthol Crystals can contribute to a cooling and refreshing hair care routine. Their cooling properties can provide a soothing sensation to the scalp and hair, leaving them feeling refreshed and Revitalised. Incorporating Menthol Crystals into scalp treatments, hair masks, and hair sprays can help promote a cooling and invigorating experience.

Functionality
