Skin Benefits

Create candles with the enchanting aroma of Mimosa Wax. This wax provides a unique and captivating scent, enhancing the ambiance of your space. Elevate your candle creations with the aromatic essence of mimosa wax.

Hair Benefits

Embrace the calming influence of Mugwort, Essential Oil Organic, as it adds a luxurious aroma to your haircare products, creating a sensory indulgence.

Functionality

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
