283-874-8

Customs Tariff Code
3301 2949 00

Skin Benefits

Mugwort Essential Oil carries a mystical and herbaceous aroma, distilled from the leaves and flowers of the Mugwort plant. It has calming and grounding properties, making it a valuable ingredient in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and skincare formulations. The oil promotes relaxation and creates a sense of tranquility, providing a transformative and therapeutic experience.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Mugwort Essential Oil can contribute to a calming and soothing hair care routine. Its deep and herbaceous fragrance can provide a grounding and mystical experience. Incorporating Mugwort Essential Oil into hair mists, massage blends, and scalp treatments can help promote relaxation, reduce scalp tension, and support overall hair and scalp health.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
