### Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

### Skin Benefits

Refined Olive BP73 Oil is known for its moisturising and conditioning properties, making it beneficial for skin and hair care. It can help hydrate and soften the skin, improve skin texture, and promote a healthy complexion. The oil's conditioning properties make it suitable for use in hair care products, such as conditioners, hair masks, or serums, to provide nourishment and improve hair manageability.

### Hair Benefits

Refined Olive BP73 Oil can be used in hair care products to moisturise and condition the hair, reducing dryness and frizz. Its nourishing properties can enhance hair texture and add shine. The oil can be added to hair oils, serums, or leave-in treatments to provide hydration, nourishment, and improve the overall health and appearance of the hair.

## Functionality

### Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

### Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

### Skin Tightening

Promotes skin elasticity and firmness, reducing the appearance of wrinkles. It helps maintain a youthful and lifted look by supporting collagen production, giving the skin a tighter and more toned feel.

### Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

### Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
