Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

Skin Benefits

Refined Olive EP Oil is known for its versatile culinary applications. It can be used for cooking, flavoring, dressing, marinades, and sautéing, adding richness and depth to various dishes. The oil's mild flavor and golden color make it a popular choice in Mediterranean cuisine and other culinary creations. Refined Olive EP Oil is also known for its potential health benefits when consumed as part of a balanced diet.

Hair Benefits

Refined Olive EP Oil can be used in hair care products for its nourishing and conditioning properties. The oil's moisturising properties can help hydrate and soften the hair, reducing frizz and promoting smoother strands. It can be added to hair oils, serums, or leave-in treatments to provide nourishment and enhance the overall health and appearance of the hair.

It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Skin Tightening

Promotes skin elasticity and firmness, reducing the appearance of wrinkles. It helps maintain a youthful and lifted look by supporting collagen production, giving the skin a tighter and more toned feel.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
