3301903000

Skin Benefits

Incorporate the benefits of Onion Oleoresin into your formulations. This oleoresin provides antioxidant and soothing properties, promoting skin health. Elevate your formulations with the natural benefits of onion oleoresin.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Introduce a fresh and invigorating fragrance to your hair formulations with Orange Bitter, Essential Oil Organic, creating a vibrant and aromatic experience.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
