Hair Benefits	Cold Pressed Onion Seed Oil can be used directly on the hair and scalp to provide nourishment and stimulate hair growth. The oil's stimulating properties can help improve blood circulation in the scalp, leading to healthier hair follicles. Cold Pressed Onion Seed Oil can be used as a scalp treatment, added to hair oils or masks, or incorporated into hair care products to promote hair health, improve texture, and add shine. While not primarily known for its specific scalp benefits, Cold Pressed Onion Seed Oil's overall nourishing and stimulating properties can indirectly support scalp health by providing essential nutrients and promoting a balanced scalp environment.
Halal	O&3 can confirm this product is not Halal certified, however it does not contain any animal derived product or ingredient, hence it is HALAL applicable.
INCI Listing	Allium Cepa Seed Oil
Irradiation Status	O&3 can confirm that Onion Seed Oil, Cold Pressed has not been irradiated at any stage of production.
