## Skin Benefits

Organic Orange and Neroli Water is known for its hydrating and calming properties, making it beneficial for skincare formulations. It can help refresh and soothe the skin, providing a gentle and revitalising effect. Organic Orange and Neroli Water is commonly used in facial mists, toners, or as a base for skincare products to enhance hydration and promote a balanced complexion. The water's delicate and floral aroma adds a soothing and pleasant touch to various products.

## Functionality

### Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

## Hair Benefits

Organic Orange and Neroli Water can be used in hair care products as a refreshing and soothing ingredient. Its hydrating properties can help moisturise the hair and scalp, providing relief to dryness or irritation. The water can be used as a hair mist or added to hair treatments to provide a gentle and revitalising experience. While not primarily known for its specific hair benefits, Organic Orange and Neroli Water's overall hydrating and calming properties can indirectly support scalp health by promoting a balanced scalp environment and reducing discomfort.
