Product Page Intro	Introducing Orange/Neroli, Water Organic (Hydrolat), with a rich history dating back to ancient Egypt, where it was revered for its aromatic and skincare properties. It's extracted through the distillation of the fragrant orange blossoms, imparting a delightful, citrusy scent with subtle sweetness. Historically, it was favoured for its soothing and therapeutic qualities in aromatherapy and skincare. Today, it serves as a versatile toner that can revitalise and balance all skin types. Its pH-balancing properties help remove impurities and maintain skin health. Additionally, it acts as a makeup setting spray and adds a refreshing scent to skincare products. Its natural, gentle formula makes it a popular choice for those seeking a fragrant, rejuvenating addition to beauty formulations. Contact us today for a quote or order a sample and elevate your products with Orange/Neroli, Water Organic (Hydrolat).
Product Status	Pure & Natural.
Pyrrrolizidine Alkaloids Status	O&3 can confirm that Orange / Neroli, Water Organic (Hydrolat) is free from any Pyrrrolizidine Alkaloids.
